

ACT/SAT PREP COURSE for High School Students

Fall 2021 / Spring 2022 Registration

The ACT and SAT are standardized tests used by many colleges as part of their admissions determination. To help our high school students, the Sammamish PTSA is sponsoring an ACT/SAT Prep Course including sections in verbal, math, and science skills. Students may register for one, two or all three sections. Each section meets once per week over 4 weeks. Each Math class is 1.5 hours and the Verbal and Science classes are 1 hour each. Classes include worksheets of sample questions, test-taking strategies, and practice exams. For more information, please see the ACT/SAT Prep Course Frequently Asked Questions on the PTSA's website, www.sammamishptsa.org. For additional questions, email sat.prep@sammamishptsa.org. Class size is limited so sign up early.
